### Recommendation:

- Replace crosswalk striping and add proper signing
- Replace crosswalk striping and add proper signing
- Add pedestrian activated crossing and proper signing (new crossing)
- Add pedestrian activated lights to existing crossing and improve signing
- Add new pedestrian activated crosswalk to elementary school (new crossing)
- Replace warning light with a pedestrian activated light

NOTE: Recommend adding pedestrian activated crossings in all school zones. The City and Borough is currently adding these systems to crossings in schools zones with higher than average daily traffic.
